

AGBU MANOOGIAN-DEMIRDJIAN SCHOOL PTO

CRITERIA FOR ROOM MOTHERS

1. Room mothers serve as the link between the PTO Executive and the parents to facilitate communication and to promote success of all PTO initiatives.
2. Room mother expectations:
 - When the PTO conducts a fundraiser, room mothers call all parents of their assigned class, asking for their participation. Using persuasive language, room mothers communicate to parents the nature and purpose of that particular fundraiser.
 - In case of an educational lecture, room mothers explain to parents why it is being organized and get a commitment to attend.
 - Room mothers will make every effort to have their child's section represented by a table of 10 at the annual banquet held in February and help with obtaining ads for the banquet booklet.
 - Room mothers will help teachers with projects, parties, field trips, and other activities upon teacher request.
 - Room mothers will keep the PTO Executive apprised of parent feedback of general nature.
3. Room mothers cannot serve on other standing school committees.
4. Room mothers should use every opportunity as well as come up with creative ways to engender a true sense of partnership between parents and the school. The end purpose of room mother activities is to better meet student needs by cultivating a higher level of cooperation and understanding within our school community.
